Dr. Deborah Benson, PhD, ABPP

Common Ground Alliance

Founded 2010

Dr. Deborah Benson is a New York State Licensed Psychologist specializing in rehabilitation neuropsychology who has been working with individuals with brain injury and their families for 20 years. She is currently the Director of Clinical Services at Paradigm Management Services, a national medical management company. She also has a small, private practice, CarePaths, in Plainview.

Dr. Benson is the Founder/Director of Common Ground Alliance, a nonprofit membership organization that provides opportunities for socialization, creative expression, cognitive stimulation and emotional/spiritual support for brain injury survivors and their families. Membership in CGA includes participation in regularly scheduled classes and activities designed to enhance a long-term wellness plan.
